TRADE RATHER THAN AID.

With Fairtrade you have the power to change the world.

> By choosing **FAIRTRADE** products, you can help give farmers, workers and their communities a **FAIR** deal.

The **FAIRTRADE MARK** means a product contains **FAIRTRADE** ingredients produced by small scale farmers or plantations that meet **FAIRTRADE** standards.

How you can help

OUR FAIRTRADE TOWN

is proud to **support** farmers and workers, in developing countries, by uniting a community through shops, cafés, churches, local groups, businesses, and schools.

Together we can make a difference.

> Small scale farmers and workers are amongst the most marginalised groups globally.

between those who grow our food
